## Early Withdrawal/Refund Policy

Students enter a contractual agreement to complete the program for which they enroll. Decisions to withdraw early are a breaking of that contractual agreement. Refunds will be made for students whose accounts have been paid in full and who withdraw or are withdrawn from a program prior to the completion of that program. The initial deposit is non-refundable.

When a student withdraws from the Institute, he/she must compose a formal letter of early withdrawal and submit it in writing to the Assisi Institute Administrative Office. *The date from which refunds will be determined is the **last day of the module** during which the student submits a formal letter of withdrawal.* Refunds will be made within eight to ten weeks of the notification of an official withdrawal or date of determination of withdrawal by the Institute. The initial deposit is non-refundable. Refunds are calculated on the following scale:

Withdrawal within 30 days of Program Start: 80% refund (not including initial deposit)

Withdrawal within first three (3) months of Program Start: 50% refund

Withdrawal within first six (6) months of Program Start: 30% refund

There will be no refunds issued after six (6) months of Program Start

\_\_\_\_ I am authorizing the Assisi Institute to make the above indicated payments on the credit card I have noted below. I understand payments will be run on or about the 15th of each month. In the event that I elect not to authorize automatic payments, I understand that I am responsible for the balance of my student account and to honor the terms of this contractual agreement by keeping the above indicated terms of payment.

\_\_\_\_ I have read and understand the early withdrawal/refund policy.

\_\_\_\_ I authorize the Assisi Institute to make automatic monthly or quarterly charges (optional).
